Respected Sir,

Warm greetings from Eye&Me

Firstly it's an immense pleasure in offering this proposal to such a prestigious Association. We would like to convey you that we have been dealing in this optic business from the last 10 years under the name of 'Palak Optics' and from the last 6 months have commenced a new optic venture named 'Eye&Me' for a total personalised solution for all your optic needs and that's our tag line too and we happily stand by it. Our customers' feedback is the evidence of our commitment towards our clientele.

Our optic studio compromises quality products and major brands like Tommy Hilfiger, Silhouette, Calvin Klein, Ray ban and many more.

Eye&Me would like to make a special, one of a kind offer especially for the members of your Association.

A flat 30% discount on the entire range of optical frames, optical glasses and sunglasses except Ray Ban on which we offer 20% discount.

We would look forward to serve you. Awaiting your affirmation.

Best Compliments

for, Eye & Me
