CA Association of Ahmedabad

Sub:- Empanelment of Rushabh Pathology Laboratory with Chartered Accountants Association of Ahmedabad

Respected Sir,

We introduce ourselves as Rushabh Pathology Laboratory since 1999.

Rushabh Pathology is working with high accuracy and reliability with personal touch for each test.

Within a short span of time, we have become synonymous with accuracy and reliability. With a dedicated central reference laboratory and 4 more touch points, we offer more than 2000 different kinds of tests, using the most advanced technology supported by highly skilled technicians.

We are on panel lab at LIC, PRL, SBI and eager to work for the best betterment of society, Chartered Accountant.

We have tried all our best to submit a most suitable proposal keeping mutual interest. I am hopeful that you would find it in line with your requirements.

On behalf of our entire team at Rushabh Pathology, we assure you that our energy, talent and resources will be guided towards innovations and services that a patient aspires.

We hope to get positive reply from your side.

Thank you

Warm regards,

Dr. Jigar J. Shah Md. Path.
